PROGRAM ELIGIBILITY

FOR PROVIDERS: The Bellafill Rebate Program applies to eligible purchases of Bellafill products. Eligibility for the Bellafill Rebate Program is determined by active participation and qualification in the Regen Rewards program through Suneva Medical at the Regen Premier Partner, Regen Elite Partner and Regen Partner of Excellence levels ("Participating Providers"). Only products purchased from Suneva during the eligible Rebate Period will count toward the Bellafill Product Rebate Program, including discounts.

Beginning January 1, 2024 through December 31st, 2024 (the "Rebate Period"), patients may submit to redeem a single claim for a FREE Bellafill syringe based on the syringe configuration purchased from Suneva® for a single Bellafill® product purchase/patient treatment.

FREE Syringe offer is valid only on purchase of a full Bellafill® Kit and can be redeemed only at an eligible participating provider of the Rebate Program.

Suneva will provide reimbursement to eligible participating providers based on actual Bellafill product quantity sold to a registered patient. Single claim values are based on the following purchase quantities:

Suneva is not responsible for administrative fees (such as internal processing charges) and taxes that may be incurred when claims are redeemed. Regen Rewards accounts must remain active at the qualifying levels and in good credit standing to be a Participating Provider of the Rebate Program and to be able to redeem this Bellafill rebate.

Providers may continue to earn additional rebates if they make additional Bellafill Kit purchases above and beyond the minimum quarterly purchase requirements to eligible to be a Participating Provider.

EXPIRATION OF REBATES

Eligible Participating Providers will have one calendar quarter following their qualification into the program to redeem rebates available to them. As an example:

- 2) If the same account fails to maintain their qualifying level in that second quarter, then they will lose their eligibility to participate in the rebate program in quarter three.

Any rebates that have not been redeemed at an eligible participating provider will expire on the date of last program activity or if they opt out of the Regen Rewards program or fall below the minimum level required to be an eligible Participating Provider. All rebates that have not been redeemed will expire at 11:59 p.m. prevailing Pacific Time (PST/PDT) on the date of expiration specified. You acknowledge that

any rebates that are not redeemed or entered during the redemption or Rebate Period described shall be forfeited at 11:59 p.m. PST/PDT at the end of that period.
